### EMPLOYMENT CONTINUITY CHECK

It is essential to check the continuity of employment, as stated in the application form, and to note and investigate any gaps in employment. Failure to carry through such checks has been identified as a significant factor in several recent abuse cases.

Use the “timeline” below to place in order all stated instances of employment and other activities (such as training), and identify any gaps for discussion during the interview. Assess and record the results of the enquiries, which must be followed through if interview answers are unsatisfactory.

The period considered must be the whole working life of the applicant, to date.
